

Large Ballrooms

For truly grand events the Wentworth, Hamilton, and Stoney Creek ballrooms are the obvious choice. They can accommodate up to 1,000 guests combined but can also be subdivided into 3 separate rooms to offer a more intimate setting.

The interiors are soft neutral tones with accent drapery along the east and west walls. The décor is luxurious, but not overstated nor overdone. The crystal chandeliers accent the neutral tones and provide a very classy appeal.
