

Midsized Ballrooms

The Halton and Niagara Ballrooms provide intimate banquet space with a licensed capacity of 200 guests each. Both rooms are ideal for medium sized events as well as intimate weddings for up to 150 guests. The layout easily accommodates round tables, a head table and an excellent sized dance floor.

The décor is luxurious, but not overstated nor overdone. The crystal chandeliers accent the neutral tones and provide a very classy appeal to both corporate and social events.
