

Your Professional Olympia Disc Jockey

The Olympia Disc Jockey / Entertainer

- * Our Entertainers are fully uniformed in black tuxedos with name tag*
- * Extensive song library with over 10,000 song selections*
- * Fully interactive DJ's offering interactive centerpiece giveaways and unique dance presentations*

State of the Art Sound and Lighting Systems

- * Over \$50,000.00 has been spent installing state of the art sound and lighting systems in each ballroom at the Olympia*
- * Permanent installation avoids the distraction that may go along with a portable set-up allowing for more guest space and less interference with guest enjoyment*
- * The installation of the sound and lighting system has been engineered for maximum enjoyment avoiding overpowering some guests while not allowing others to hear the music being played*
- * Custom Track Spots, computerized lighting controllers and smoke machines have been installed and specifically programmed to add to your entertainment*
- * Not only does the lighting enhance the dance environment but it has been specifically programmed to add to the impact to the overall event*

Professionalism

At the Olympia, our Disc Jockeys are part of our staff and therefore we guarantee their quality and professionalism. All have been fully trained to service any cliental from Italian, Portuguese, Greek, Latino, and of course Canadian and Continental Communities.

Our DJ's can accommodate all ethnic groups and all songs provided that due notice is given (min. 2 weeks) to ensure proper song catalogue is prepared for each event.
